

All big human stories began with characters, wine, food and atmosphere. From the wandering Homer in ancient Greece, sitting in a circle weaving magic, to a small pop up in London where Jack and Alice leapt from the imagination to the table. It begins. The unique fine wines uncorked, shared boards of exclusive artisan cheeses and cured meats, intimate ambience of light and shade, exquisite taste and a sense of things to come. You won't see Jack and Alice, but will glimpse them in the shadows, in the aromatic dressings and surprises that our passionate team prepares each day for you.

## MORE ABOUT OUR COFFEE...

Our Coffee is made from **70% Arabica** - these are the high grown coffees that have more of the delicate flavours, and **30% Robusta** - these are the low grown coffees, and have more body and earthy notes. Brazil accounts for the nutty, chocolate flavours, Costa Rica provides the sweet acidity to the blend, Ethiopia adds a bit more acidity and body and India adds body and improves the crema on the finished espresso.
